**COUNTRY CLUB RETIREMENT CAMPUS HOSTING  
FREE WORKSHOP ON VETERAN'S BENEFITS MARCH 11 AT 6 P.M.**  
*Learn how veterans and surviving spouses can receive \$1,900 in monthly benefits.*

**BELLAIRE, Ohio (February 19, 2010)** – The Country Club Retirement Campus in Bellaire will host a Veteran's Benefits Workshop March 11 at 6 p.m. featuring local Elder Law Attorney Tim Jarvis.

A graduate of the Veteran's Benefit Institute in Chicago and accredited through the Veteran's Administration office, Mr. Jarvis will focus primarily on the Aid and Attendance Pension. This pension can provide benefits of more than \$1,900 each month to veterans and surviving spouses who need the help of another person to assist them with eating, bathing, dressing and other daily living activities.

Generally speaking, if a veteran or their spouse has a net income after out-of-pocket medical expenses that falls beneath the Veteran's Administration cap and you qualify under the asset limitation rules, the Aid and Attendance Pension can provide up to \$1,632 per month to a veteran, \$1,055 per month to a surviving spouse, or \$1,949 per month to a couple.

“The Veteran’s Administration recently reported that thousands of veterans are missing out on valuable benefits that they are legally eligible to receive,” said Administrator Joe Zvosecz. “Country Club Retirement Campus knows that some of the Government financial assistance programs that are available can be confusing. That’s why we’ve teamed up with a knowledgeable attorney and veteran’s benefits expert like Tim Jarvis. We want to make sure that those who served their country are taken care of.”

All workshop attendees will receive the Free “Nuts and Bolts Guide” to VA Benefits. Refreshments will be provided. Please call Colleen at (740) 676-2300 to reserve your spot.

The Country Club Retirement Campus in Bellaire has served the needs of area seniors and their families for nearly 25 years. The picturesque facility offers a variety of care under one roof – service-enhanced apartments, assisted living and skilled nursing care – and is home to over 100 residents.
